

Welcome to

HYPE is a catalyst, using experience and networking to transform the lives of disadvantaged children and young people. We develop, fund and support learning programmes at every stage of a young person's development regardless of social background. HYPE transforms the land-scape of opportunities for young people.

Our holiday activities are designed to engage and educate pupils in a wide range of activities through working together collectively to achieve positive outcomes. At the forefront of all our pro-jects are the children and young people we work with in any club, community or school.

HYPE delivers a range of youth activities tailor-made for young people and the variety of barriers they face. We specialise in supporting young people aged between 7 and 24 years, who are living in highly deprived neighbourhoods where opportunities are limited.

Realising the impact of what we do, HYPE has 3 set impact goals:

- 1. Create more opportunities for young people
- 2. Support young people to reach their potential
- 3. Strengthen local communities

HYPE have been working with
St Cuthbert's High School since 2019
and our team always look forward
to delivering to the pupils. In July
a team of 8 staff and partners
worked at the school over 5-days
during the summer holidays and
provided the following activities-

- Bike Leadership and maintenance
- DJ Workshops
- Art workshops
- Cooking lessons
- Football coaching and tournaments
- Drama
- Inflatable football pitches
- Sumo Wrestling

Impact

5 days

9 different activities

76% said the activity their confidence has increased

115 pupils every day

92% of young people said they made new friends

82% said they enjoyed trying new foods

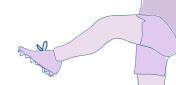

507 healthy lunches

87% said they felt healthier at the end of the week

Feedback

Feedback Pupils

The art class was good because we got to paint the bird boxes whatever colour we wanted and we got to them home aswell. Sophie from HYPE was cool!

I loved the footy sessions with Doug, the coaching was good but the best bit was the tourna-ments.

Paul the bike instructor fixed my bike, its been broken for ages and I'm happy now because I can go everywhere on it.

My favourite part was making the pizzas, it was the first time I've ever made a pizza. It didn't look that good but it was tasty and I ate it all before lunchtime!

I made loads of new friends on this course. On day one I only knew one person from my old school, I know loads of people now, thank you HYPE.

THANK YOU
